**AFRICAN SECURITY** is a bimonthly international tri-service defense magazine, published by DBDC International Defence Publications & Events. The magazine focuses on security, defense, and defense industrial matters across the African continent. It serves as a trusted platform providing technical information that supports the fast-evolving security and defense industrial initiatives in Africa. For more information, please visit <https://www.dbdgroupcuk.com> / <https://www.dbdcgroup.com>

**AFRICAN SECURITY** functions as a key informational hub for decision-making within the procurement networks of African nations, covering a wide range of military and industrial sectors. It serves regional and global industry experts by delivering detailed reports and analyses on international developments in security, defense, and aerospace. The platform tailors these global insights to meet the needs of African nations' Armed and Security Forces, supporting their efforts to build advanced defense industrial capabilities.
